*Fast and agile yet solid and stable, the G3 features revolutionary aerodynamic engineering coupled with state-of-the-art precision German manufacturing. The G-3's wide cabin and modern cockpit makes it a competent cruiser. In production since 1997, the G-3 also excels as a trainer, and is in use around the world as a rugged, reliable rental airplane. Composite construction contributes to the G-3's impressive durability and fuel economy.*

*Operated by Orion Flight Services Inc.*
